LODAMS COLLEGE PROFILE

ABOUT US

Lodams College was established in January 2020. It is located in Ruiru town, Grec Towers opposite Jenga Mabati Mills. It was established with the aim of offering marketable courses to students who did not attain the grade to get them into the university, is well as those that are interested in craft courses. **Grades not withstanding**

Our main aim is to offer chances to students who did not perform well without compromising on quality.

Our goal is to become the number one institute in craft courses as well as other courses.

MISSION

Lodams College empowers and offers accessible education to learners of all grades preparing them for self-employment as well as dependency on themselves.

VISION

To be the number one learning institution changing lives through marketable courses and also to produce the best students in markets that require minimal capital to venture into.

CORE-VALUES

- Integrity
- Conducive learning environment
- Quality service provision
- Excellence
- Innovation
- Team work
- Hard work

We provide unique and well equipped workshops for our learners, free internet to enable in their research, career guidance and counseling as well as make arrangements for hostels in order to accommodate learners from all the 47 counties.

*We are pleased that you are considering joining us. We promise to offer the best and make each one of our learners able to fit into the competitive market.
In Lodams College Quality is Our Priority.*
